THE FIRST 72

PRINT · FILL IN · KEEP
GIVE ONE TO A NEIGHBOR

DANGER FIRST

Fire, injury, rising water, unsafe building: **get out, then call 911.** Follow official evacuation or shelter orders. Supplies can be replaced. People can't.

LEAVE IF: evacuation order · fire · flooding · structural damage · too hot or cold indoors · you can't support a medical need.

WE GO TO _____

1 · Get safe

- ☐ Count everyone and pets
- ☐ Shoes, keys, glasses, meds on you
- ☐ **Smell gas?** Leave. Call from outside.
- ☐ **Generator, grill, stove: outdoors only,** 20+ ft from doors, windows, vents. Working CO alarm.

2 · Secure basics

- ☐ Use stored water first; see 002
- ☐ Set out food that needs no cooking

3 · Stay connected

- ☐ **Charge now if you still can.** Then save battery: low-power mode, dim screen.
- ☐ **Phones jammed? Text.** It often gets through.
- ☐ Everyone checks in with the out-of-area contact
- ☐ Check on neighbors, if it's safe

Power went out at:

_____

Food: keep fridge and freezer closed. Fridge ~4 hrs. Full freezer ~48. Half-full ~24. **When in doubt, throw it out.**

Sewer backing up? Don't flush. Use a bag-lined bucket.

Stock for at least 3 days + pet, baby, care needs

- ☐ Water, 1 gal/person/day _____
- ☐ Light, radio, batteries _____
- ☐ Food + can opener _____
- ☐ Meds, first aid, cash, documents _____
