PRINT · FILL IN · KEEP
GIVE ONE TO A NEIGHBOR

Household readiness and response for the first three days. Fill it in on a calm day.

DANGER FIRST Fire, injury, rising water, unsafe building: **get out, then call 911.** Follow official evacuation or shelter orders. Supplies can be replaced. People can't.

1 · Get safe

- ☐ Count everyone and pets
- ☐ Shoes, keys, glasses, meds on you
- ☐ **Smell gas?** Leave. Call from outside.
- ☐ **No generator, grill or camp stove** indoors or in a garage

2 · Secure basics

- ☐ Fill clean containers while the tap runs
- ☐ Set out food that needs no cooking
- ☐ Flashlight and radio where you can find them
- ☐ Charge phones and power banks now

3 · Stay connected

- ☐ **Phones jammed? Text.** It often gets through.
- ☐ Everyone checks in with the out-of-area contact
- ☐ Check on neighbors, if it's safe
- ☐ Write down official instructions as you hear them
